Spa Services

Offered at the Jones Valley and Madison locations, unless otherwise indicated.

Massage Therapy

Traditional Swedish Massage

30 minute – \$60 | 60 minute – \$90 | 90 minute – \$135

Swedish is the most familiar massage modality. The pressure used is light to medium, with a combination of long sweeping strokes and gentle kneading. As a result, this massage increases circulation, relieves muscle pain and tension, and helps to reduce stress.

Combination Massage

30 minute – \$60 | 60 minute – \$90 | 90 minute – \$135

This hybrid massage combines the best of Swedish and deep tissue techniques. After the flowing strokes of the Swedish massage relax and warm your muscles, the therapist employs deep tissue techniques in the areas needing additional therapy.

Deep Tissue Massage

30 minute – \$60 | 60 minute – \$90 | 90 minute – \$135

This therapeutic massage utilizes firm to deep strokes and addresses specific muscular and joint needs. As a result, you will get the most relief from chronic muscular tension within deeper layers of muscle.

Sports Massage

60 minute – \$100 | 90 minute – \$150

Sports massage is ideal for enhancing range of motion and muscle relaxation. A combination of firm massage and stretching technique, this massage is perfect for people who live an active lifestyle, since it promotes flexibility and reduces fatigue.

Hot Stone Massage

60 minute – \$100 | 90 minute – \$150

Smooth basalt rocks are heated and then placed on the body to help relieve tight muscles, inducing deep relaxation.

Prenatal Massage

30 minute – \$60 | 60 minute – \$90

2nd and 3rd trimester only.

During this massage, we provide a pregnancy pillow, which offers an innovative breakthrough in comfort for pregnant women. It will allow you to safely lay on your stomach with newfound relief.

Terramé Signature Massage

90 minute – \$140

Our signature massage utilizes a variety of massage modalities, including Swedish, deep tissue, and hot stone. Experience a full body massage in an amazing ninety minutes that provides pure relaxation and rejuvenation.

Fijian Escape Massage

60 minute – \$100 | 90 minute – \$150

Discover the South Pacific's secret to beautiful skin. A balanced blend of certified organic cold pressed Virgin Coconut, Macadamia, and Sikeci nut oils creates a unique combination that promotes cellular renewal, helping your skin to look and feel younger.

CBD Massage

30 minute – \$85 | 60 minute – \$125 | 90 minute – \$160

Get even more from your massage. In this massage, we use highly concentrated CBD oils, which can offer relief from symptoms of many different conditions, including arthritis pain, chronic inflammatory pain, muscle soreness, back and shoulder pain, and various skin conditions.

Couples Massage

Available in all massage modalities in 30, 60, and 90 minutes.

Relax and enjoy a side by side massage. A massage for two is a great way to spend some time with someone you care about.

Hydrotherapy

Experience the power of water and its ability to transform the human spirit. Our hydrotherapy tub is the most advanced tub in the industry. With the help of 265 jets and customized computer controlled programs, you will feel your stress float away.

Moor Mud Bath | \$45

This mud is organic, bioactive peat from the bogs of Austria. Moor Mud that is pure enough to drink is added to your bubbling hydrotherapy bath. It assists in refining pores, detoxifying the lymphatic system, and nourishing the skin.

Coconut Milk & Lavender | \$45

Coconut milk nourishes and hydrates dry skin leaving it supple and smooth. The heavenly scent of lavender promotes total relaxation.

Sports Soak | \$45

Relax as eucalyptus and peppermint essential oils relieve muscle aches and inflammation, while also easing congestion and fatigue.

Facials

Classic Facial | \$100

Customized for your skin type and condition, this treatment includes a thorough cleansing, exfoliation, and hot towel steaming. You will receive a facial massage followed by a mask application specific to your skin's unique needs. Your skin will feel refreshed and rejuvenated like never before.

Teen Facial | \$100

This facial is designed to promote and encourage healthy skin care habits at a critical time in a young person's life. It is a comprehensive facial service that addresses common skin problems faced by teenagers, such as oily skin, clogged pores, and stubborn acne.

Acne Management Facial | \$125

Ideal for acne sufferers of all ages, this clinical facial helps to control the growth of bacteria, balance sebum production, and exfoliate dead skin cells. It can lessen the appearance of dark spots, hyperpigmented skin, and post-acne scarring. It will also assist in preventing future breakouts.

Signature Anti-Aging Facial | \$150

This is more than just a facial. Get a supremely relaxing experience along with the latest skin care science, turning back the clock and giving your skin some TLC. Stimulate collagen and improve elasticity and cellular turnover while being in complete tranquility to achieve a well-rested glow.

Rosacea Management Facial | \$125

Rosacea is an extremely common disorder of the facial hair follicle and associated oil glands. Common symptoms of the condition include an increased reactivity to heat that leads to flushing and a localization of spidery, distended blood capillaries. The goal of this treatment is to reduce the inflammation and kill the bacteria associated with rosacea. Your skin will be calmer, brighter, and more hydrated.

Advanced Skin Treatments

Offered at all locations, unless otherwise indicated.

RevitaPen Treatment | \$125

RevitaPen's cutting edge nanotechnology creates pathways in the skin, allowing for deeper absorption of products. This treatment is perfect for anyone experiencing issues with skin texture, pigmentation, or scarring. It increases collagen production and hydration while dramatically smoothing skin texture.

Oxygen Treatment | \$150

For thirsty, dehydrated skin. The Intraceuticals topical oxygen system uses therapeutic oxygen under hyperbaric pressure to infuse a serum of modified hyaluronic acid, essential vitamins, botanicals, antioxidants, and amino peptides into the skin. In short, it dramatically rehydrates and plumps the skin in less than an hour, setting the treatment apart from any other on the market. This is an ideal treatment to receive a few days before a big event.

Oxygen Treatment with Boosters | \$165

Get the same oxygen treatment with an extra boost of antioxidants, collagen, vitamin C, or vitamin A.

Oxygen Treatment with Atoxelene | \$200

Add Atoxelene, which has a Botox-like effect, to your Oxygen Treatment. This infusion smooths, holds, and prevents, and is ideal to soften the visible signs of expression lines, lip lines, fine lines, wrinkles, and prematurely aging skin. The effects of Atoxelene typically last several days.

Celluma | \$60

Celluma is an FDA approved LED treatment that utilizes blue, red, and infrared light simultaneously to stimulate collagen production. This non-invasive treatment calms acne and Rosacea inflammation, as well as softening fine lines and wrinkles. LED therapy is known for its ability to rejuvenate skin. Blue light penetrates the epidermis, red light penetrates the dermal layer, and infrared penetrates the deepest levels of skin to improve microcirculation. Celluma can be added on to any advanced treatment, and can also be requested as a step of the Signature Anti-Aging, Acne Management, and Rosacea Management Facials.

Offered only at the Jones Valley and Madison locations.

Dermaplaning | \$50

Dermaplaning is a skin treatment that uses an exfoliating blade to skim dead skin cells and hair from your face. It helps to make your skin's surface smooth, youthful, and radiant. It also helps to reduce scarring from acne and uneven pockmarks on your skin.

Neurotris | \$150

This microcurrent treatment retrains your facial muscles to lift, tone, and firm your skin while stimulating tissue repair and improving circulation. This treatment is perfect for one to two days before a special occasion. Add to your routine to keep your skin looking rested and refreshed.

Offered only at the Jones Valley Location.

HydraFacial™ Treatments

The HydraFacial is a non-invasive treatment, perfect for anyone who is looking to improve and maintain the health of their skin. It can have many benefits, including enhanced skin tone and texture, reduced appearance of fine lines, wrinkles, and hyperpigmentation, and improved appearance of oily or acne-prone skin.

HydraFacial™ Treatment | \$150

Proven effective for all skin types, this 30-minute treatment delivers instant results with no discomfort or downtime. The HydraFacial combines cleansing, exfoliation, extraction, and hydration, all while delivering antioxidants, Hyaluronic Acid, peptides, and other essential nutrients to your skin.

HydraFacial™ with Booster | \$210

Get all of the benefits of a HydraFacial™ Treatment along with a customized booster that can target hyperpigmentation, wrinkles, reduced elasticity, reduced skin density, or skin damage.

Spa HydraFacial™ | \$210

Get all of the benefits of a HydraFacial™ Treatment and all of the relaxation and pampering of a spa facial.

Triple Crown Facial | \$300

This facial combines three of our most advanced and sought-after treatments into one state of the art treatment that is wonderful for all skin types and concerns. It is the premier anti-aging treatment available. This treatment incorporates HydraFacial, Oxygen treatment, and your choice of either dermaplaning or Celluma (LED therapy).

Body Treatments

This luxurious treatment combines various exotic nut oils and fresh Fijian cane sugar to exfoliate, cleanse, and re-hydrate the skin with vitamins A,B,C & E. The Fijian cane sugar is massaged into the skin with coconut milk, revealing new, healthy, and vibrant skin. This treatment will strengthen your skin and replenish moisture to create the ultimate healthy glow.

\$85 | *Available in rejuvenating noni, brightening guava, and hydrating coconut milk & honey.*

Nails

Offered at the Jones Valley and Madison locations, unless otherwise indicated.

Manicure | \$40

A relaxing, full-service manicure. Nails are cleaned, filed, buffed, and shaped to your specifications and cuticles are treated. The next step is a relaxing, soothing, moisturizing hand and arm massage, and your hands are dipped in warm paraffin. Your nails are then polished with a color of your choice or buffed to a natural finish.

Pedicure | \$60

Our pedicure begins with a foot soak in a warm whirlpool bath. Nails are then cleansed, filed, buffed, and shaped. A hydrating foot massage, followed by a paraffin dip, helps to relax your feet even more. Your nails are then polished with a color of your choice or buffed to a natural finish.

SNS | \$50

Offered only at the Jones Valley location.

SNS is perfect for someone looking for durable, long-lasting, natural looking nails. It is a dip powder based nail system.

SNS Manicure | \$70

Offered only at the Jones Valley location.

Get the durability of SNS with the relaxation of a full-service manicure with this dual service.

Eyelash Extensions

Offered at the Jones Valley and Midtown locations.

Classic Set | \$150

Classic extensions are a great way to try extensions for the first time! With the classic set, only one extension is glued to each natural lash. It adds length and thickness. This look is great for people who already have a fair amount of lashes and for those that want a natural look.

Volume Set | \$195

Volume lashing is a technique used to achieve a fuller, fluffier look. With this method, anywhere between two and eight ultra-fine extensions are fanned out and applied to a single natural lash. This is

the perfect solution if you have sparse lashes, gaps, or if you want a more dramatic effect. This set can also be fully customized to add a little or a lot of volume, depending on your desired look.

Lash Fills | *Price varies based on time between fill-ins.*

Waxing

Offered at all locations.

Waxing Recommendations

Hair must be approximately ¼” in length (2-3 weeks of growth).

After waxing, please allow 24 hours before sunbathing or using a tanning bed. Newly waxed skin is more sensitive to UV rays and will burn easily.

If you are planning for a special occasion, we recommend that you schedule your services 3-5 days before the event.
